Our Memorandum Programs Include:

- Certified Clinical Medical Assistant (CMAC)
- Nursing Assistant Certification (NAC)
- Certified Caregiver Training Program
- Pharmacy Technician Certification
- Mental Health Technician Certification
- Dental Support Technician Certification
- Health Information Technology (HIT) Program
- Medical Coding & Billing Specialist
- Telehealth Coordination Certification
- Professional Instructor Certification

### **Institutional Partnerships**

# CHCP E-LEARNING CERTIFICATION PROGRAMS LTD

## *Memorandum Program Overview Brochure*

We partner with academic institutions and healthcare facilities to deploy hybrid learning environments, AMCA-approved certification exams, and digital badging systems powered by Credly.

Our programs emphasize practical skills, employability, and global certification relevance.
